Financial Services and Credit Guide

Sydney Financial Planning

This Financial Services and Credit Guide (FSCG) contains information that will help you decide whether to use the financial services we offer. It sets out:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee Charter Financial Planning Limited (Charter)
- our fees and how we, your adviser and Charter, are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or Charter

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

When we provide credit advice, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Record of debt advice or a Credit Proposal. We will retain a record of the debt advice or Credit Proposal which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

If you wish to proceed without our advice, we will ask you to confirm your instructions, which will be documented in writing. We will keep a record of this documentation for seven years. We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to annual advice and services, the details will be documented and provided to you in an advice or service agreement. This includes the frequency of contact between us, service standards that may apply, any fee arrangements and how the agreement can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The actual fee charged to you will depend on the nature of the advice or service we provide. We will discuss and agree the actual fees with you before we proceed. The following section outlines the types of fees that may apply.

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage-based fee.

Our agreed advice and service fees may include charges for:

- Initial advice;
- Ongoing or annual advice and services.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions; and
- Ongoing commission - a percentage of the value of your investment balance, usually calculated at the end of each month in which you hold the investment.

Payment methods

We offer you the following payment options for payment of our advice and service fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment (subject to the advice and service provided).

All fees and commissions will be paid directly to Charter as the licensee. They retain an amount (a licensee fee) to cover their licensee costs and the balance is passed on to us. The amount is determined annually, based on a number of factors, including our business revenue and the number of advisers in the practice.

For more information on our services, please see our **Schedule of fees** attached or available on request.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services from the licensee. We may also be eligible to receive financial support including financing, technology and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation including if we qualify under the licensee's excellence program, and business performance or for business operational costs. These benefits are paid either at the licensee's discretion or depending on meeting certain qualifying criteria including the quality of our services and advice provided to our clients, business goals and ranking against other practices in Charter. The amounts are set by the licensee from time to time (usually on an annual basis).

We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice (DMA) run off payments

Eligibility to receive DMA run off payments is dependent on us continuing to be authorised by and meeting standards set by Charter. From 31 January 2020 we will be eligible to receive run-off payments based on the amount of advice revenue we generated in 2018. Advice revenue includes revenue directly attributable to advice provided to a client for an agreed fee. It excludes commissions from investment, insurance and banking products. These payments are to assist with our cashflow over 3 years as set out in the table below. Run-off payments will not be made after December 2022.

Year	Total annual amount
2020	\$69,300.00
2021	\$46,200.00
2022	\$23,100.00

Certified quality advice program

On meeting eligibility criteria and gaining access into the program, we may become eligible for discounts on licensee fees, a 10% increase in purchase price under the buyout option and a 10% increase in DMA payment should we qualify. Eligibility is assessed on professional operations and processes, high quality advice standards and education.

Buyout option

If we leave the financial services industry, we are eligible to sell the register rights of our client base to Charter Financial Planning Limited. The valuation of these rights is based on a multiple of the annual financial planning revenue generated by our practice.

Personal and professional development

Charter provides personal and professional development opportunities in the form of education and professional development programs, offered annually to qualifying practices.

Charter Leaders program

Each year, practices that meet particular criteria may be awarded entry into the Charter Leaders program. The criteria is based on a combination of factors including the quality of services, business goals and rankings against other practices in Charter. The Charter Leaders program provides access to personal and professional development courses organised by Charter. Charter may subsidise the cost of these courses up to amounts as determined by Charter from time to time.

Business support

We might receive financial and non-financial assistance from the licensee including financing or subsidies or reimbursements for accounting, legal and bank fees or technology support; marketing, badging rights, or other once-off transitional support costs, to help us grow our business or implement appropriate succession planning options.

Provided we meet specific qualification criteria Charter will support the practice with up to \$3,750 per authorised representative to meet the training and education requirements for financial advisers as required by Financial Adviser Standards and Ethics Authority. Any support provided by Charter is paid directly to the education provider and not to us.

Paraplanning costs subsidy

We may be eligible for a subsidy from AMP in relation to paraplanning costs, depending on the number of paraplanning requests that we make in a particular month. If our practice submits a minimum of 5 paraplanning requests per eligible authorised representative in our practice, we receive a discount of up to 25% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 we will receive a discount of up to \$250 (25% x \$1,000 = \$250) and pay a discounted fee of minimum \$750.

Placement fees

From time to time Charter will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by Charter. We may share in this fee based on the level of participation by our clients.

Relationships and associations

It is important that you are aware of the relationships that Charter has with providers of financial services and products as they could be seen to influence the advice you receive.
